

Episode 3

Next Session: Friday, April 3rd

Backup: Friday, April 10th

Notes:

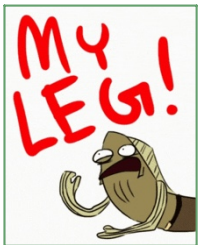

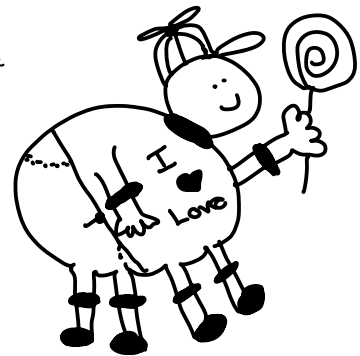

- * Were in underground city of "Munculi"
- * We "Failed" mission to kill kid (we tried to save him)
- * Harry DuBois now might tell on us, so we're going to jump him
- * Vera attacks H. DuBois w/ Beam (fails polymorph; Vera lhr spite gears when talking, which Celeste takes)
- * Vera takes 9 opportunity attack while running; she drops a gear
- * Celeste casts Fireball (hits and does 9 damage; he's bloody)
- * Alistar runs up and casts Rigormortis (hits and does 9 damage)
- * H. DuBois, bloodied, runs into a dilapidated house
- * Pyotr runs toward the house and casts Longrange (hits loadbearing pillar in house, causing it to cave in)
- * H. DuBois dies (?) under the rubble; a cup on a string is by him; it seems he called someone
- * Vera fails to eat H. DuBois
- * Determined Vera will drop 30 total gear
- * Vera gets memories from "Ponyboy"-esque character from the underground city
- * Alistar got 1 component from H. DuBois's blood
- * Celeste fails to loot H. DuBois arms
- * We vote to not go back to police (3 vs. Vera); we go to see Timmy w/ 20 hours of juice
- * Timmy lost his fucking leg
- * Alistar finds Timmy's leg and attempts to bloodgraft them back on and succeeds!
- * Alistar asks Timmy's mom for green juice as payment; she has 10 baby bottles of green juice w/ imperfections like flecks of black; she questions why we still need juice like a baby and she's shocked
- * The baby bottles gives only 10 hours (Vera keeps this to herself)
- * We get one baby bottle of juice and ask where to get more
- * Timmy goes in his mom's bag (he's 3 apples tall) and she tells us to follow her
- * We pass by pre-war mining camps w/ old war weapons (Vera does not know the history of this)
- * We're 1 mile deep in the mine; we see faint, glowing copper veins
- * Alistar sees Timmy's mom use rock to open door that leads to area with house built upon copper pillars; a 5 mile radius town

Bug: Can't use class Features; it's just text not interactable

More concept art please!

- * Timmy's mom, Charlotte Purple, leads down the steps of the tower, where see all races of peaceful but poor homunculi, but none look stitched together like us; they all have bits of glimmering copper veins or flecks somewhere on their bodies
- * We reach Bofur's Bubbling Brewing in the market; Charlotte Purple departs
- * Fl human has a large jar of green juice, tho Bofur
- * We talk to Jeremiah, the sales rep, a 14 year old human, asking for Bubbly / E-max (aka green juice)
- * 1 bottle of E-max costs 25 gold coins!!! Vera only - knows kid doesn't know how long bottle will give us exactly
- * Pyotr requests distraction to steal green juice
- * Vera scares Jeremiah trying to flirt with him
- * Celeste notices a "Duke Nuke 'Em" pin on Jeremiah, and asks about him, and Jeremiah lights up
- * Pyotr knocks over bottles
- * Flotar and Vera grab Jeremiah and he blows his rape whistle
- * Two guards approach and Celeste casts Shadowcloud, creating a dark cloud around everyone except Pyotr
- * We escape opposite of the guards; they attack blindly in the cloud
- * Celeste licks copper, nothing happens
- * Vera and Flotar attempts to picklock of GM office, fails, but Celeste unlocks it
- * Inside are portraits of fancy looking humans, including the arm guy from the expo, and a fat, prideful man - aka Giuseppe Stritto
